Work Experience

Cordoba Corporation

Santa Ana, CA

Senior Data/ERP Analyst

April 2021 – Present

- Prepare annual, quarterly, and monthly financial reports, transforming complex dataset into meaningful metrics and actionable items.
- Collaborate with project managers and engineers to ensure projects are accurately end-to-end structured in Deltek according to contractual terms and clients demands.
- Identified a workflow bottleneck and wrote a Python automation bot to process 250+ monthly invoices, reducing manual processing from 5 to 1.5 minutes per invoice with minimal supervision.
- Designed and deployed an automated daily email alert system for overdue timesheets, reducing preparation time from 15 minutes to just 2 minutes.
- Excel Subject Matter Expert. Support finance department in developing scalable excel models and standardized templates for financial reporting and analysis.
- Modernized legacy Excel reports and SOPs by designing advanced formulas and custom VBA scripts, greatly reducing preparation time and reporting.
- Built employee utilization KPI dashboard to support stakeholders decisions during monthly executive board meetings.

Robert Half

Diamond Bar, CA

Senior Accountant/Financial Analyst

Feb 2020 – Apr 2021

- Supported managers in analyzing, resolving month-end accounting discrepancies and operational bottlenecks.
- Assisted with month-end accounting functions, including preparing journal entries, performing balance sheet reconciliations and variance analysis.
- Worked directly with company stakeholders to clean financial data and build strategic dashboards and excel templates for comprehensive year-end budget reviews.

Education

California State University, Fullerton

Fullerton, CA

Bachelor of Arts in Business Administration - Accounting
Accounting GPA 3.55 | Cumulative GPA 3.47

Spring 2014
